SOLUTION

As a JD Edwards solution provider MAA has earned a 100% client satisfaction rating when it comes to implementations, upgrades, and enhancements. Not many companies can say that!

Working globally with JD Edwards customers for over 24 years, while crossing various industries, has given us an extensive depth of knowledge and unmatched expertise in Digital Transformation, Cloud Solutions, EnterpriseOne, OneWorld (XE) and World software. In fact, many of our associates worked directly with JD Edwards.

APPROACH

Mitchell & Associates addresses each client's unique requirements and leverages the best practices incorporated into the software for a quick and effective implementation. At MAA we always guarantee your success.

Whether your project involves the evaluation / selection of new enterprise resource planning (ERP) software, the implementation and customization of a new technology, or simply an upgrade of your current programs, Mitchell & Associates provides you with the depth, breadth and flexibility you need to support your corporate strategies.
